8/12/06.

As information regarding the loans granted by the Government is included in the annual report on the working of the banks and as a report for 1905-6 had been ~~new~~ seen it was considered unnecessary to review the loan statements separately. As the annual report is not complete and may not be published or reviewed, a draft order on the loan returns is put up.

(*Continuation Sheet draft form.*)

2. The balance of instalments left uncollected at the End of the year is heavy and ranges from 20 to 65 per cent of the amount due. From the consolidated Statement appended to this order it is observed that only 15 out of the 59 banks have paid up in full the interest due by them. The banks were thus very unpunctual in the payment of their dues and the alien hon. of the Rev. Jour. is invited to this fact and he is requested to take such steps as will Ensure the prompt realization of the overdue instalments and interest.

3. As noted in the subjoined table there are differences in the outstanding amounts of principal and interest between the Statements submitted by the Comptroller and the Dy. Commissioners. The differences should be traced out & a report submitted in the matter.
